## Product Description

### Car Mesh Storage Net Pocket Handbag Holder Car Organizer Backseat Bag

#### Features

Made of high-quality Oxford cloth, this car interior accessory is durable for long-term use.

The mesh material enables you to observe the kids and pets in the rear seat.

You can just fold the collapsible car handbag holder and store it away when not in use.

All straps are stitched using tough X shaped patterns to withstand strong forces and prevent tears over time.

This car purse holder is designed with 6 bags in total, adding extra space for your car. It is big enough to classify and store various items in one product, such as magazines, smartphones, rings, keys, cards, umbrellas, leaving your car well-organized and no mess anymore.

- Car handbag holder features a universal size that is applicable to most kinds of cars. With HOTOR car storage, just keep the stuff you frequently use within an arm's reach. No need to worry that your purse or handbag would fall from the console center again!
- When driving fast or on the jolt roads, this mesh car organizer in front seat can not only keep your items in the car storage stay in place but also serve as a barrier to stop pets from jumping forward. Less distraction, more concentration when driving. No more tools needed. This car storage is easy to install. Just attach the straps to the metal rods of the front seats and then, fix the hooks of the bottom of the seats or seat slideways. Besides, you can adjust the length of the straps to make it suitable for your car.
